WORK EXPERIENCE

August 2023 – Present

Frontend Developer at **Webskitters Technologies Pvt Ltd**, Kolkata

Develop responsive web applications using React and Next.js to enhance user experience. Collaborate with UX/UI designers to implement design best practices and ensure seamless integration.

Optimize application performance through efficient coding and thorough testing practices.

Troubleshoot and debug applications to resolve issues.

February 2022 – August 2023

Frontend Developer at **Think Again Lab**, Kolkata

Collaborated with stakeholders during development processes to confirm creative proposals and design best practices.

Managed full-cycle design tasks, handling all phases from conception to completion while maintaining guidelines throughout.

Pinpointed user experience issues to devise targeted suggestions for improving user experience.

Created useful React custom hooks and Npm packages that increased team's performance and saved time.
